Golang

SUMMARY

I am a man of sheer focus and discipline. I am habitual of breaking complex problems into simpler ones and then working my way through them. Up Until my journey as an entrepreneur, I have taken many risks, sometimes I have been rewarded and sometimes the opposite, however it has been a breathtaking experience if nothing else.

WORK EXPERIENCE

EREVNA ENTERPRISES

2019-Present

Frontend Developer(Co-founder)

Gullu
- Europe based tourism startup to connect travelers in different cities.
